

Melbourne artist David Harley will create a series of digitally inspired abstract...

Region: Melbourne

Melbourne artist David Harley will create a series of digitally inspired abstract paintings for the next exhibition at ACCA @ Mirka.

The artist, who has just returned from Germany following a solo exhibition at the Nassauischer Kunstverein in Wiesbaden, uses traditional painting techniques to create large scale 'digital scapes', which offer the illusion of depth and the chromatic lines, shapes and colours of a digital print.

David Harley – From December 1, 2008.

ACCA @ MIRKA is a collaboration between the Australian Centre for Contemporary Art and Mirka at Tolarno Hotel, presented by Sanpellegrino. ACCA curates four projects by emerging Australian artists each year, continuing the tradition of bringing great contemporary art to this unique and historic restaurant space.
