PREDICTION PIECE 6

and, as the sun
sinks slowly
on the west...

the East is red
(the centre cannot hold)
what do you see

FIRE

is this a sign?
I see no end to this
I see no end to it
...an endless vista...
...a flying dream...
forewarned is forearmed
a loaded gun will always fire
get ready
take aim

the writing is on the wall

I will melt
I know I will just melt
in my dream you are touching my breast
in my dream I am undressing you very slowly
I will feel the weight of you
we will fall to the ground together
I will see red
you will see stars
my hand will still contain the feel of the softness of the hair on your chest
I want you to touch me
I want to touch you
you will be up against the wall

FIRE

it could all end in tears
we will need to take steps
three steps forward (and two backward)
there COULD be a happy ending
your back is to the wall
